

Curriculum Vitae

Associate Professor
DI Dr. **Gregor Trimmel**
Institute for Chemistry and Technology of Materials
Graz University of Technology
Stremayrgasse 9. 8010 Graz, Austria

Personal Data

Date of birth: December 7, 1971
Place of birth: Vienna, Austria
Nationality: Austria
Marital status: married, one child

Academic Career and Education

since August 2008	<i>Associate Professor</i> at the Institute for Chemistry and Technology of Materials, Graz University of Technology
July 8, 2008	<i>Habilitation (venia docendi)</i> for Macromolecular Chemistry and Technology at the Graz University of Technology
July 2008 – October 2013	<i>Laboratory Director</i> of the Christian Doppler Laboratory for Nanocomposite Solar Cells
August 2002 – July 2008	<i>University assistant</i> at the Institute for Chemistry and Technology of Materials (former: Institute for Chemistry and Technology of Organic Materials), Graz University of Technology
March 2002 – July 2002	Post-doctoral research fellowship at the University of Padova, Italy (research group Dr. Lidia Armelao)
January 2001 – February 2002	Post-doctoral researcher at the <i>Laboratoire de la Matière Condensée</i> , Université Pierre and Marie Curie (Paris VI), Paris, in the group of Florence Babonneau within the European TMR network “Oxycarbide Glasses”
August 1996 – June 2000	PhD Thesis in Technical Chemistry at the Institute of Inorganic Chemistry, Vienna, University of Technology, in the group of Prof. Dr. Ulrich Schubert
September 1990 – June 1996	Studies in Technical Chemistry (Organic Chemistry at the Institute of Inorganic Chemistry, Vienna University of Technology)

Research Interests

Synthesis of functional polymers using ring opening metathesis polymerisation, characterisation and new concepts for the steel-rubber-adhesion, new materials for solar cells.

Publications

More than 110 articles in peer reviewed journals, 4 book chapters, 20 conference proceedings, more than 30 talks and 200 poster contributions at scientific conferences.
